Minutes of the Meeting of Research Advisory Committee (RAC) for the End Term Presentation (ETP) Evaluation

Name of the scholar:	P Rakesh Rao	Prov. Regd. No.:	42200346
Domain:	Systems and Architecture and Intelligence system	Date of Evaluation:	23 May 2025
Approved Topic:	Designing of Novel Approach Using Metaverse Technology for Smart Agriculture System		

Final Result for the Evaluation: Recommended

Over all Recommendations of the RAC:

The work presented demonstrates notable potential and relevance, addressing a significant research problem with a sound methodological approach. All evaluators acknowledge the quality and promise of the study, with a shared emphasis on the importance of focusing on quality publications. It is strongly recommended that the scholar refines the current findings and completes any pending publication components. Targeting reputed peer-reviewed journals will not only elevate the academic merit of the research but also ensure meaningful contribution to the broader scholarly community.
